Exam Regulations and Assessment

The assessment method of success for each course is clearly indicated in the related course catalog form/syllabus. Accordingly, there are three types of exams at Yaşar University.

Types of Exams

1) Mid-term Exam(s): At least one mid-term examination is required for each course every semester. A mid-term exam can be substituted by projects, workshop or laboratory evaluations. Mid-term exam dates are announced at least a week beforehand on the website of the university. The weight of the mid-term examination in the student’s final grade for the semester cannot be less than 40%. The weight of the mid-term exam is clearly indicated in the syllabus of the course.

2) Final Exam: A final exam is given at the end of every semester and the date of the exam is announced at least two weeks beforehand. The weight of the final exam in the student’s final grade for the semester can be at most 60%.

3) Make-up Exam: The students who were not able to take mid-term and final exams, may take make-up exam by the decision of Faculty Board upon declaration of justifiable and valid excuses.

Announcement of Grades, Appeals, Final Grades:

Exam results are announced according to the schedule foreseen by the Rectorate. The results of final grade are only announced online via the students’ personal university accounts. To access their final grade results, students are required to fill out their online questionnaires of “Course ECTS/workload Evaluation” and “Course Lecturer Satisfaction” which are one of the most important feedback received from the students concerning the revision and the credibility of ECTS credits together with the teacher’s performance for each course.

An appeal against the marks of an examination must be made to Student Affairs in writing, submitting the reason of error within 5 days following the announcement of the exam results.
Ethical Rules

Any kind of academic dishonesty, including, but not limited to, cheating on an exam or assignment, plagiarizing, representing someone else’s work as your own, submitting work previously used without the informing and taking the consent of the instructor, fabricating of information or citations, etc. will not be tolerated. Academic dishonesty will be pursued with disciplinary action and will result in an “Fail (F)” grade for the class.

For each enrolled subject in the degree programmes, a minimum attendance of 70% is required for the students to be eligible to attend the final exam. Final grades also will be based on attendance and class participation. The weight of the attendance is indicated in the syllabus of the course.

Learning Agreement and Learning Agreement Change Document

The learning agreement is an official Erasmus document which determines the courses that must be followed at the host university. The courses must be validated and signed by the student, the department coordinators at the home university and in Yaşar University. Students are obliged to follow the courses on their Learning Agreements. If the students make any changes in their Learning Agreements, they are obliged to follow the final version of the courses which are approved by all the parties. The changes to the LA can only be done until the end of add/drop week. The students must follow YU academic calendar to finalize their LAs until the end of add/drop week.

Grade Point Average (GPA): GPA is calculated by taking the number of grade points a student earned in one academic semester divided by the total number of credits taken. A course’s success credit is calculated with the multiplication of that course’s credit and the grade coefficient.

General academic average (Cumulative Grade Point Average-CGPA): CGPA is calculated by taking the number of grade points a student earned for all semesters divided by the total number of all credits taken.

Yasar University uses only ECTS credits based on student work load since 2009.

Department Coordinators for Erasmus Incoming Students

Erasmus department coordinators will be assisting Erasmus Students to select their courses in their Learning Agreements (LA) during the “Course Registration and Add/Drop” week. They also help students with the academic issues. The list of Erasmus Dep.Coordinators are announced at http://erasmus.yasar.edu.tr. Please take appointment before you visit your Erasmus Coordinator and respect the calendar for finalizing your LA. The LA change can be done only one time and no changes will be allowed for your LA after the Add/Drop week.

Each student are expected to control their registered courses online by using their personal accounts in order to prevent any mistakes that might occur between their finalized LAs and registered courses online to the Student Affairs System. Since all the grades are given online by the teachers, the registered courses should be better checked by the student as well after the add/drop week.

*Ayselin YILDIZ, Erasmus Institutional Coordinator, ayselin.yildiz@yasar.edu.tr
The students must follow the Academic Calendar which is announced at http://erasmus.yasar.edu.tr and send my e-mail to every student before they depart to Yasar University. Each student is expected to respect the academic calendar. Taking the exams earlier for early departures without concrete reasons/justifications are not welcomed since academic calendar is shared and all students are informed about their Erasmus period before they start their education at YU.
